

## Science Google Slide Project Timeline 2019-2020

| Due Dates                        | Teacher Initials | Date Finished | Task/Assignment   |
|----------------------------------|------------------|---------------|---|
| <b>September 20</b>              |                  |               | Hand out materials for Science Fair   |
| <b>On or before September 27</b> |                  |               | Teachers must review the Scientific Method (include independent/dependent variable).  |
| <b>On or before October 11</b>   |                  |               | Students will need to decided which project they will be completing. Students should write a testable question and submit it for teacher approval for Google Slides.      |
| <b>October 18</b>                |                  |               | Remind parents of their child’s science fair project and answer any questions they may have.  |
| <b>October 25</b>                |                  |               | Student must have hypothesis and background research complete.<br>Teachers will need to touch base with students and parents and conference time.                         |
| <b>Nov. 1</b>                    |                  |               | Student must have a materials list and procedure completed.<br>Teachers meet with each student to discuss this part.<br>Contact parents if this is not completed.         |
| <b>Nov. 8</b>                    |                  |               | Student must have conducted their experiment.<br>Teachers meet with students to discuss, contact parents if not completed.  |
| <b>Nov. 15</b>                   |                  |               | Student must have results, conclusion and log book completed from their experiment.<br>Teachers meet with students to discuss, contact parents if not completed.          |
| <b>Nov. 22</b>                   |                  |               | Student must have completed a graph for their project (graph can be a line, bar, pie, etc.).<br>Teachers meet with students to discuss, contact parents if not completed. |
| <b>Week of December 16-20</b>    |                  |               | Meet with students one last time to see where they are at with the process.<br>Contact parents before break if students are still needing to finish.                      |

|                   |  |  |  |
|-------------------|--|--|--|
| <b>January 10</b> |  |  | Google Slides must be completed and submitted for grading.                             |
| <b>January 16</b> |  |  | Science Fair Week. Students will present their Google Slide presentation to the class. |
|                   |  |  | Tentative date of Tri-County Regional Science Fair @ Francis Howell North High School  |

**This timeline is to help teachers and participants in completing a science fair project. Each elementary may adjust this timeline to fit the needs of their individual students. Please check with your child's teacher for specific dates.**
